

# TOP 5 THINGS TO DO AT CEDIA EXPO VIRTUAL

1

## SCHEDULE MEETINGS

The Expo Hall will be open on Tuesday, September 15 for a sneak peek of the virtual booths. Booths will be viewable, but not have any live staff. Take this day to browse their content and schedule your meetings for Wednesday, September 16th and Thursday, September 17th.

2

## CONNECT WITH COLLEAGUES

Visit the Forums to join a chat or start your own. Topics include HDMI 2.1 and 8K, Resimercial Market Solutions, 2021 Outlook, and Home Theater/Streaming Solutions. Or connect face-to face and request breakout rooms in one our social networking lounges.

3

## ENGAGE WITH EXHIBITORS

Join exhibitors in their personalized Meeting Lounges for face-to-face introductions, group meetings, presentations, and more. Attend exhibitor sessions and trainings. Or start a live chat right within their booth.

4

## LISTEN AND LEARN

Most sessions will have live Q&A. Take this opportunity to learn more about the topics you're most interested in, connect with panelists, and get your questions answered. Don't miss the 4 keynote presentations, starting on Tuesday, September 15.

5

## HAVE FUN!

Reconnect with friends and industry colleagues, while having a little fun! We'll close out the experience with a watch party and special performance from the CEPro All-Star Band benefitting the #CEDIAStrong Scholarship Fund.
