

# CEDIA® EXPO

SEPTEMBER 10 - 14, 2019

COLORADO CONVENTION CENTER

## TECH | TALKS

POWERED BY:

# CEPro

Powered by **CEPro**, TechTalks will cover an array of topics ranging from SDVOE vs. HDBaseT-IP, Fiber vs. Copper, working effectively with Interior Designers, and more. Take part in a discussion, or sponsor an exclusive talk or panel on the Smart Stage this September. All TechTalks will be heavily promoted to attendees and press.

EXCLUSIVE  
TECHTALK **\$5,000**

Curate your own TechTalk with CEPro editors. TechTalks cannot be a product pitch, but this is your time to discuss an important topic relevant to the home tech industry from your vantage point.

- TechTalk featured in the pocket guide and mobile app with your company name and logo
- Ability to sit on a panel and help curate a TechTalk exclusively with CEPro editors
- Live stream session with your logo featured on CEDIAExpo.com social channels
- Video for sponsor marketing use with sponsor logo
- Hosted in CEPro's CEDIA Scoop section through the end of September
- Logo featured on the screens during the presentation
- Push notification on mobile app when your session begins
- Content posted to CEPro CEDIA section
